

# Call for Papers — German-Malaysian Workshop Series 2014

## “Systems Engineering for Advanced Mechatronics”

### 2<sup>nd</sup> Joint International Conference on System-integrated Intelligence

#### SysInt2014, July 2-4, 2014, Bremen, Germany

### Invitation

Formulate research questions that are relevant for our future and find answers to these questions. This will require a strong partnership among scientific establishments and industries across regions. The German-Malaysian Workshop Series offers an excellent avenue that brings together different competences to advance new research topics, and generate ideas for strategic international cooperation. This annual scientific event was started in Hannover in 2012, took place in Malacca in 2013, and will be held in Bremen in 2014.

**You are cordially invited to join us and spend a marvelous time in Bremen.**

### Embedded Symposia

High quality papers are sought for the following symposia:

- Mechatronics & Robotics
- Sustainable Energy Technology
- Manufacturing Technology
- Automotive & Aerospace Technology
- Computer Aided Design & Engineering
- Advanced Materials

### Online Submission

Prospective authors are invited to submit abstracts (maximum 500 words) and full papers (maximum 6 pages).

All accepted papers will be published by Elsevier in *Procedia Technology* which will appear online on Sciverse ScienceDirect. Selected authors will be invited to submit an extended manuscript in a Special Issue of *Mechatronics* published by Elsevier (Impact Factor of 1.3). Else, you will be invited to submit your extended manuscript to *Journal of Mechanical Engineering* published by UiTM (indexed in Scopus).

### Important Dates

- Dec 6, 2013: Abstract Submission**
- Dec 20, 2013: Notification of Acceptance
- Feb 1, 2014: Full Paper Submission
- Mar 15, 2014: Reviewer Feedback
- Apr 15, 2014: Full Paper Submission
